

LANGSTONE HARBOUR BOARD

LANGSTONE HARBOUR LOCAL NOTICE TO MARINERS NO. 02 OF 2025

Oil Spill Emergency Exercise

MARINERS ARE ADVISED that Langstone and Chichester Harbours will be conducting a joint oil spill emergency exercise on Wednesday 26th Feb 2025, between 0830 and 1300.

As part of our emergency planning, and commitment to environmental protection, we will be exercising our response to an oil spill pollution incident effecting both harbours, alongside staff from Chichester Harbour Conservancy and our oil spill response contractor Adler and Alan.

The incident will be centred around the Hayling Island road bridge and at the Langstone Sailing Club. Disruption will be kept to a minimum, but due to the deployment of booms from slipways in the area, transit between Langstone Harbour and Chichester Harbour via the Hayling Billy line/Hayling Island road bridge may not always be possible.

This Local notice is published in conjunction with Chichester Harbour Conservancy. See also [Chichester LNTM 03 of 2025](#).

Cancel this Local Notice on completion of the exercise, expected no later than 1500, Wednesday 26th Feb 2025.

Owners, Agents, Charterers, Marinas, Yacht Clubs and Recreational Sailing Organisations should ensure that the contents of this Notice are made known to the Masters or persons in charge of their vessels or craft.

B Johnson, Harbour Manager

Harbour Office, Ferry Road,
Hayling Island, Hampshire, PO11 0DG
